

JAFAROV
FINE ART JEWELLERY

Welcome to the world of jewellery.

We offer you a unique collection of **JAFAROV** jewellery.

"We present a beauty that we call '**A POETRY IN STONE**'. In our pieces of **JEWELLERY** you can see the story in the stones, read familiar novels or even tales from your childhood. This may be a butterfly or a beetle **GLOWING** in the stone, as if nature itself has breathed **LIFE** into them, it might be tears of a couple falling in **LOVE** frozen in the drops of pearls. Or it might be the glow of distant stars in the grains of **DIAMONDS**. It would be our pleasure to present a personal piece of jewellery for you, a piece that you can hand down from generation to generation..." ,
says **LEYLA JAFAROVA**

Every piece of jewellery has been **CRAFTED BY HAND** and **DESIGNED SOLELY** by **JAFAROV** in the studios in Germany and Italy.

Our collection is presented in our boutique in Dusseldorf, at Konigsallee 36 / Kesting Gallery and in Munich at Bayerischer Hof hotel.

Art of JAFAROV

The brand **JAFAROV** has a clear vision of jewellery being art, adornment, style, fashionable and timeless all at the same time. "The desire to present **BEAUTIFUL** pieces of jewellery where **POETRY** is immortalized into stone led us to Dusseldorf – a European metropolis of **STYLE** and **CULTURE**", says **LEYLA JAFAROVA**.

Every piece of **JAFAROV** jewellery reflects a magical mysterious fantasy of form.

Magnificent **FANTASTIC GEMS** from Madagascar, Bolivia, Africa and India are taken to the studios in Germany and Italy and turned into **ART CREATIONS**.

We are creating a **POETRY** of soul
That **LIVES** in breathing, playful gems...
Look at their **SHAPE** and **SHINING** face
To **FIND** your own tale and role...

LEYLA JAFAROVA

Leyla Jafarova is an **AZERBAIJANIAN LYRIC POET**, currently living in the Czech Republic. For many years she has been enthusiastic about the **ART** of jewellery design.

Leyla Jafarova, **JEWELLER** and **AUTHOR**, oversees the production of the high-profile **JAFAROV CREATIONS**, which are more than just glittery accessories. The necklaces from **JAFAROV** are a sparkling galaxy of **STARS**. The jewelled brooches are a creation inspired by **BRILLIANT** wildlife, wild and exotic with **HYPNOTIZING** colours.

As an author Leyla Jafarova published her first lyrical collection "I treasure you from Earth to Moon" in 2010 under the name of Leyla Begim in Russia and in Azerbaijan. Her second lyrical collection "Seasons of love" was published this year, in 2011 also in Russia and in the Czech Republic. „Poetry is my greatest passion. It opens my senses, touches my soul and gives me strength for upcoming challenges. To combine **POETRY** with high class jewellery was only a logical consequence of my **CREATIVE** intuition“, says Leyla Jafarova. Every piece of **JAFAROV JEWELLERY** tells a story and transmits a sense of uniqueness to those who wear it.

Art of Jafarov

Jafarov **CREATIONS** are more than just shiny accessories. The precious items from the brand **JAFAROV** are luminaries, delicate and special. The magnificent jewellery pieces of all Jafarov lines are **CRAFTED BY HAND** in the studio in Germany. Made in Germany, they meet international design standards.

But with her **POETRY** Leyla Jafarova not only caresses and seduces the **SENSES** of people. Moreover, she pays a **UNIQUE TRIBUTE** to the poetry of gemstones and pearls. The high-profile line **“ART BY JAFAROV”** consists of hand-crafted unique pieces and limited edition designs. Many of these creations have **MAGICAL** and **MYTHICAL** accents and attract people with their unusual and often naturalistic **LOOK**.

Leyla *by Jafarov*

„Leyla by JAFAROV“ is the second and **YOUNGER** line from the house of Jafarov. It is also crafted by hand in the studio in Italy.

Leyla Jafarova created a sophisticated, contemporary and **POETIC** collection from the popular **“MIRACLES OF NATURE”** combining style and success. “The jewellery makes up both with jeans and an evening dress for the **PERFECT** match. This second line of jewellery has, just like the first, a high standard of **AESTHETICS** and **ELEGANCE**, but encourages to wear fine jewellery during the day, too,” Leyla Jafarova explains. The second line is more specific in terms of design and very refined in its details.

In accordance with the **PERSONAL TASTE** of the customer, precious stones, such as emeralds, rubies or coloured diamonds, can be exchanged and adjusted **INDIVIDUALLY** in the rings, necklaces and earrings. The majority of the collection is in the price range between 1,000 and 6,000 €.
